DATE: 1/30/64

FROM : SA PAUL L. SCOTT P

SUBJECT: LEE HARVEY OSWALD, aka  
IS - R - CUBA  
(OO DL)

The following investigation was conducted by  
SAs PAUL L. SCOTT and RICHARD E. HARRISON:

On January 25, 1964, ANTHONY R. WYMAN, Controller,  
Sheraton-Dallas Hotel, Southland Center, Dallas, advised after  
checking records that WILLIAM W. TURNER, 35 Alpine Terrace,  
San Francisco, California, with McFadden Publications,  
registered at the hotel at 1:39 PM on 11/25/63. He checked  
out at 8:31 AM on November 27, 1963. The records showed  
long-distance phone call 11/26/63, charge \$2.92, to WARNER,  
Washington, D. C., number 202 4-5985, at 2:39 PM, time 2 minutes.

A long-distance call was made on 11/27/63 at 8:41 AM  
to Silverman, New York, No. 532-9050, time 11 minutes, charge  
\$7.10. The records reflected 80 cents for local calls 11/27/63,  
but numbers to which calls made not recorded by hotel. The  
record bore a notation AE 001-205-212-2, and WYMAN advised  
this was an American Express credit card number used by TURNER  
for identification.

WYMAN subsequently advised SA PAUL L. SCOTT on  
1/27/64, after checking reservation records, that reservations  
were made 11/24/63 by Hotels/Motels Reservation Center, 98  
Post Street, San Francisco, California, for TURNER, scheduled  
to arrive Dallas at noon on 11/25/63. Reservations were  
requested for three nights.

The registration card contained no notation that  
TURNER was issued a courtesy parking card, and, therefore, the  
hotel assumed he arrived by means other than automobile.
